Description

Small shoulder bag by Under Armour. A sports pocket in a minimalist design will please everyone who wants to have their documents and valuables close at hand. The black document pocket has a main compartment with a zip and a smaller front pocket also with a zip. Its advantage is the water-repellent UA Storm treatment, thanks to which your valuables will always be dry.

The black shoulder bag has an adjustable strap that you can adjust as needed. It is decorated with the brand's white logo and is a practical companion for everyday wear to work or in your free time.
