**Description**

Men's t-shirt of the brand Northfinder. The sports t-shirt has a universal black color and is decorated with a print with a mountain motif on the front. It is easy to combine and perfectly complements your sporty look. It doesn't matter if you choose hiking or another sports activity. The hiking T-shirt has short sleeves and a popular round neckline. It is made of organic cotton, which makes it comfortable, breathable, flexible and easy to wear.

The black tourist T-shirt has a classic regular fit cut. It fits well on any figure and is also suitable for people with sensitive skin. Organic cotton is hypoallergenic. The material of the Northfinder t-shirt was treated with silicone-enzyme pre-washing. Thanks to this, it retains its shape and softness for a long time. The T-shirt for the mountains has an engraving seam in the nape of the neck and flat shoulder seams that serve as protection against unpleasant friction when carrying a backpack.
