**Description**

Men's sweatshirt brand Northfinder. The trek sweatshirt catches the eye with its modern look. The mountain sweatshirt has a classic cut that suits every figure. The advantage of the mountain sweatshirt is the anti-pilling treatment, which guarantees a longer life. The men's forest sweatshirt closes with a YKK zipper, which is synonymous with durability. The outdoor sweatshirt for men also has a stand that protects against wind and cold.

The men's outdoor sweatshirt also has a practical hood that protects against wind and cold. The advantage of the hiking sweatshirt is year-round use, while it is suitable as a second, insulating layer. The inside of the sweatshirt is made of combed fleece. The fleece sweatshirt is easy to maintain and is elastic, which ensures a high degree of movement. The men's trekking sweatshirt has two side pockets with a zipper. The sweatshirt for men is ideal for outdoor adventures, hiking trips and camping.
