Description

New Era children's cap. A high-quality and comfortable cap for children has a structured, solid six-panel crown that perfectly follows the shape of the head. The back panel of the visor cap is open and connected by an adjustable strap. In the front part there is a distinctive logo of the New York Yankees from the American Major League Baseball association.

The pink New Era cap will surely please every lady who wants to protect herself from the sun's rays.

Product details:
