Description

High-quality children's ski helmet that will ensure perfect protection and comfort. Also suitable for snowboarding, skating or sledding. Thanks to the ventilation holes, it provides increased wearing comfort. It stands out with an attractive design.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
