Description

Blizzard brand ski goggles. Very popular ski goggles from the Blizzard line meet at a great price/quality ratio. The glasses are also suitable for people with prescription glasses. They have an anti-fog treatment and a ventilation system. 100% UV eye protection is a matter of course. Blizzard glasses are suitable for both ladies and gentlemen. They hold perfectly thanks to the adjustable strap, which you can adjust.

Branded ski goggles are an essential part of ski equipment.
