Description

Adidas men's leather shoe. Elegant urban shoes designed for autumn and winter. These shoes are somewhat reminiscent of the legendary Zappas or classic urban Salomons. Soft elegance that does not provoke with its design and you can easily wear them with anything.

Product details:

- TRAXION® - specific profile of the sole and distribution of individual grips for maximum acceleration and highest speed, also ensures high grip
- adiPRENE®+ - provides added energy and greater dynamics during rebound
- ORTHOLITE® - antibacterial insert ensures better moisture drainage for your maximum comfort

Material:

- Upper: leather/synthetic material
- Inside: textile
- Sole: rubber
