**Description**

Fila men's skates. The ice skates have a design based on a denim look combined with imitation leather and decorative stitching. The solid internal structure of the hockey skates guarantees excellent foot support and stability in every situation on the ice. The inner padding ensures that you leave the ice without abrasions, and the inner shoe is anatomically shaped for extra comfort.

Men's skates have a stainless steel blade with a specific design intended for the game of hockey, it is pre-ground, polished and ultra-light. The performance of these ice skates is enhanced by a water-repellent insole, classic lace-up fastening and Velcro straps. The Thinsulate™ lining is a guarantee of good thermal insulation. Branded ice skates are suitable for recreational play.
