Description

Blizzard men's cap. The hat with Polycolon lining is pleasant to the touch and warm. It is made of antibacterial material.

The cap has large Blizzard inscriptions all around. It is suitable for frosty days spent on the slopes or in the city.

Product Details:

- Nice material
- Polycolon lining
- Color: black/grey/orange
- Blizzard lettering all around

Material:

- 50% wool, 50% acrylic

Polycolon technology:

- Polycolon-polypropylene fibers stand out for their absolute water resistance, strong thermal insulation ability and low weight. By its properties, polypropylene surpasses any other synthetic fiber, including polyester, which is heavier and its surface is not hydrophobic - it absorbs water.
- Polycolon is a polypropylene fiber from the Schoeller company, which is the European leader in the field of synthetic fibers. Compared to other polypropylene fibers, Polycolon stands out for its softness and limited tearing.
