### Description

New Era cap. The front of the stylish cap features a metallic New York Yankees logo. The New Era 940 cap has a structured, solid six-panel crown that perfectly follows the shape of the head. The branded cap goes well with many outfits.

The back panel of the NY cap is open and connected by an adjustable strap. Thanks to the strap, the branded cap can be easily adjusted as needed. The NY cap in dark blue adapts so well, it is comfortable and suitable for various sports outfits. A great choice for everyday wear, for work, in the city and for leisure.
