### Description

Street Surfing Pennyboard. The unique design of this skateboard found inspiration in the pop culture of the sixties of the last century. It was then that a new art direction was born - Pop Art. The original POP BOARD is created for fun and easy riding.

The original appearance of the pennyboard will attract attention at first glance. The board is made of highly resistant plastic. The print on the board is in high resolution. The penny board in a stylish look is suitable as a penny board for girls. Pennyboard is a great choice for kids who want to learn to skateboard. Great idea for a gift.
