Description

Grisport brand women's shoes. Grisport brand shoes that were designed and developed to provide comfort during your stay in nature. Quality Nubuck leather and Vibram® technology ensure comfort. The PU sole provides lightness and comfort, thanks to the air microbubbles created during the injection process. The Grisport GRITEX® membrane keeps your feet warm and dry, despite rain and snow.

Women's hiking boots also attract attention with their feminine appearance. They will please all lovers of spring, summer or autumn hiking.
