Description

Under Armor sweatband. The construction of the material from which it is made consists of multi-channel powerful fibers. The sports armband is in black and is complemented by the brand's white logo. The UA brand is known worldwide for its quality and customer satisfaction.

Thanks to the Moisture Transpost system technology, it wicks away sweat perfectly and at the same time dries quickly. The black sweatband is designed for sports and leisure. The package contains two pieces of arm warmers.

Product details:
