**Suggested retail price:** 59.99 € s DPH

### Description

Komperdell Nordic walking poles. The two-piece telescopic poles are made of high-quality Alloy 7075-T6 aluminum. They are equipped with loops, handles and a removable rubber foot for Nordic Walking. The loops are solved by the Click-in system, which allows quick release of the stick from the palm without the need to completely unfasten the loop. The sticks are made with an emphasis on maximum quality and user comfort.
