Description

Blizzard women's ski helmet. The Viva Double helmet in black is complemented by pink edging and a pink logo.

The inner polyester lining is removable, washable and also has antibacterial properties. The size of the ski helmet can be smoothly adjusted using the system on the back. Adjustable ventilation ensures optimal breathability. A ski helmet is a great choice for winter sports activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
