Description

Women's Blizzard brand helmet in a nice design. It is a great choice for all winter outdoor sports and leisure.

Thanks to the Ultralight Double Inmold construction, it is strong and durable. Adjustable ventilation ensures breathability. The polyester lining is pleasant to wear and also antibacterial.

Take it under your helmet [a functional Blizzard cap](#) that has several advantages. For hygienic reasons, the helmet lining does not need to be washed as often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
