Description

Children's footwear brand Crocs. Branded rubber boots are especially designed for rainy days. The baby's feet will always remain dry. Crocs shoes are in yellow. Yellow shoes catch everyone's eye and add style to your children. They are made of Croslite material, which provides light cushioning and comfort.

For more reliable protection of your most expensive juniors, they have reflective elements. Colorful rubber boots for your children offer easy putting on and taking off. The shoes are ideal for outdoor activities and games.
