Description

Impregnation spray of the Feldten brand for the protection of shoes, clothes and other products made of leather, textiles and synthetics. It will provide long-term protection against moisture, dirt and sunlight. It contains natural wax that leaves the skin permanently supple and smooth.

The spray can be used on various materials, e.g. Gore-tex, softshell. Ideal for ski and running jackets, coats, tents, running shoes, etc.

The most versatile tool!
