Suggested retail price: 54.99 € s DPH

Description

Everett mummy sleeping bag. The zipper is located on the right side of the sleeping bag. The right and left sleeping bags can be zipped together to create one large sleeping bag. This larger space can be used if you are camping for two or if you sleep in a tent with children. Children usually turn to all sides during sleep. Combined sleeping bags provide them with more space and comfort, and they also feel safer with their parents.

It is suitable for warm spring and summer camping.
