Description

Children's winter footwear of the brand Authority. The higher cut ensures stability. The tip of the shoe and the heel are reinforced with additional material for durability and toe protection.

Tery R winter boots are padded on the inside for wearing comfort. They fasten with an elastic band that can be pulled down and a Velcro fastener in the upper part of the shoe. They have a robust sole.

Winter footwear is ideal for school, kindergarten, the city, for walks in nature, free time and everyday wear.
