### Description

Street Surfing longboard. The board of the CUT KICKTAIL 36" Rumble Jungle model is highly durable, made of 8-ply maple. The spacious shape of the board allows a safe and exciting ride. Aluminum trucks are mounted on risers, which reduce vibrations, support stability and create a feeling of surfing.

Kicktail 36" longboards are ideal for city streets due to easy and fast control. They are suitable for city traffic and for slalom between pedestrians.
