Description

Men's socks brand Voxx. Terry socks have a classic height, which is up to half the calf. Trekking socks are included in temperature class B, which determines them for use in the temperature range from -5 to +20°C. Tourist socks impress not only with their functionality, but also with their modern design.

The material of the outdoor socks has a cotton content of up to 70%. The cotton fabric in the forest socks is a guarantee of comfort and a pleasant feeling when wearing them. Socks for the mountains wick away moisture perfectly. Avion trekking socks are great companions for trekking, camping, outdoor expeditions and expeditions.
