**Available sizes**

**Reference number**

**Ean number**

**Quantity**

**Suggested retail price:** 13.99 € s DPH

### Description

Blizzard women's knee socks with floral pattern. Ski knee socks are a combination of functional properties and modern design. Merino wool keeps the foot warm. On the foot and in the heel area, ClimaWell polypropylene is enriched with silver ions, which have natural antibacterial properties.

Polyamide has the highest share in knee socks. It is a soft and durable microfiber that strengthens the structure of the entire knit. Black knee socks are a great choice for skiing and winter sports.

### Product details:

- reinforced ankle and heel area
- elastic zones
- denser fibers in the foot area
- better protection in the toe and heel area
- anatomically shaped heel
