### Description

Moon Boot women's shoes. Winter snowshoes inspired by the legendary Apollo expedition to the moon. Waterproof, warm boots will keep your feet warm up to -35°C. Thanks to the lined foam inside the shoe, every step will feel like cotton. The shiny boots have a textile lining and a durable rubber sole with an anti-slip pattern. In these boots you will shine in the city, in nature and on the slopes.

Space look by Moon boot. Color and material evolution created a collection of snow boots, an icon of winter fashion. Women's winter boots must be comfortable, easy to wear and at the same time trendy and stylish. Glance snowshoes meet all these criteria. Glance is a must-have line of metallic winter boots. Moon boot Glance boots , with you on the snow and in the city. Winter street style, ready for you.

The manufacturer does not recommend the use of impregnations, which may damage the surface material.
