Description

Blizzard brand ski helmet. The Viper ski model in black - gray color was designed and manufactured in accordance with the CE 1077 standard. Thanks to the Double inmold technology, the helmet is a guarantee of safety and protection. It provides great comfort during winter sports activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
