Description

Grisport children's shoes. The Sanremo model in gray is intended for little adventurers. Children's hiking shoes have a mesh and suede upper for excellent breathability. Hiking boots for children have a Gritex membrane that will keep your child's feet dry and comfortable.

Trekking shoes for both boys and girls have a higher cut that ensures a higher level of stability. The inside of children's hiking boots is padded and provides comfort even during a longer hike. Trekking shoes for children are ideal for various leisure and outdoor activities, walks in nature and hiking.
