**Suggested retail price:** 89.99 € s DPH

### Description

New Balance men's shoes. The Knox model has a modern, sporty look. Boots in blue-black color are excellently combined with various sports outfits.

The sneakers have a seamless material connection. Thanks to the injected EVA foam, they provide excellent cushioning. The New Balance Response 1.0 Performance insole ensures comfort when worn.

Men's boots are designed for training and various sports activities.
