### Description

Boys' sandals of the Junior league brand. The Trosa model in blue has a nice design. The tip of the shoe is reinforced with rubber material for better protection of the toes. Individual straps are lined with soft material. The back strap is adjustable with Velcro.

Children's sandals are extremely breathable. They are very easy to put on and take off. In the instep area, they have an elastic cord that can be easily tightened and loosened. Sandals for children are a good choice for leisure and casual wear in the summer season. Also suitable as slippers for kindergarten and school.
