Description

Under Armor men's T-shirt. The training t-shirt with short sleeves is made of soft and pleasant material with a high proportion of cotton. The Sportstyle Left chest model in black goes well with many outfits. A plus is the classic cut, which fits well on every body type. T-shirt for men guarantees a wide range of movement.

The sports t-shirt is in a looser cut, which guarantees comfort and style at the same time. Ideal if you wear a compression layer on top. It has short sleeves and a round neckline. On the front and back you will find a discreet brand logo. The black t-shirt for men is ideal for exercise, training, sports activities and active leisure time.
