Description

Men's swimwear by Fundango in a striped design. The Lano model has an elastic waist and two side pockets. They can be tightened at the waist with a string. During your stay at the beach, you will also appreciate the material that dries quickly. After leaving the sea or pool, you do not have to change your clothes immediately.

Swimwear is suitable for the sea and the pool.

Material:

- 95% polyester, 5% elastane
