Description

Fundango swimwear bottom. The Elmira model in white and black design impresses with its tropical pattern. The classic shape is still sexy.

The lower part of the bikini is made of quick-drying, elastic material. At the same time, the material is dimensionally stable and ensures a high level of comfort. The lower part of the swimsuit is decorated with bows on the sides. It is a good choice for the sea, the beach and the water.

Material:

- 86% polyamide, 14% spandex
