Description

Women's compression pants from Under Armour. Training Capri pants - UA HG Armor Capri - black, are comfortable and light thanks to the HeatGear fabric. The material dries very quickly and wicks away moisture from the body, which will be ensured by the Signature Moisture Transport System.

Compression 3/4 pants contain 4-Way Stretch, which allows better mobility and keeps their shape. They have flat ergonomic seams, a soft jacquard elastic waistband and the brand logo on the right side.
