Description

Under Armor men's t-shirt with a larger graphic on the front. The training t-shirt with short sleeves is made of soft and pleasant material with a high proportion of cotton. The Team Issue Wordmark model in white has the Signature Moisture Transport System technology, which ensures excellent moisture removal.

The white t-shirt for men is ideal for exercise, training, sports activities and active leisure time.

Material:

- 60% cotton, 40% polyester
