Description

Men's jacket by Northfinder brand. The multifunctional Northcover all-weather windbreaker will protect you from rain and wind. It is waterproof, breathable and light. It has reflective details, two front pockets, a pocket for a smartphone, payment card and keys.

The windbreaker in a distinctive green design can be easily packed, creating a bag with dimensions of only 220x100 mm and a weight of 210 g (L). When hiking, cycling or on a trip, you will also appreciate the elastic hood, adjustable hem and stretch cuffs.
