Available sizes	Reference number	Ean number	Quantity
-----------------	------------------	------------	----------

**Suggested retail price:** 179.99 € s DPH

### Description

Adidas originals men's shoes. The adidas Equipment support sneakers in black have a design inspired by the EQT collection from the 1990s. The look is complemented by modern elements in an urban style.

The knitted upper ensures excellent air ventilation. The Boost <sup>™</sup> midsole returns energy and provides great performance and support. Boots are the perfect choice for casual wear to school, work, leisure and meetings with friends.
