### Description

Spokey fitness mat. The MANDALA exercise mat in turquoise attracts attention with its beautiful floral pattern. Thanks to the high-quality material and the production techniques used, the mat is resistant to stretching, destruction and abrasion . It will keep its shape and original appearance for a long time.

The mat for yoga and pilates is created for the most demanding athletes. The anti-slip mat is made of TPE material and cork with a thickness of 0.4 cm, which ensures stability when exercising on different types of surfaces.

The yoga mat is anti-allergic, odorless and non-slip . It rolls easily and takes up little space after folding. The material is resistant to water and moisture, thanks to which the mat can be easily kept clean and undamaged.
