Description

Roller skates of the brand Fila skates. Legacy Pro inline skates attract attention with their sporty appearance. Black skates with white elements have a modern yet timeless look. Inline skates have an aluminum frame with 80 mm wheels.

Despite their low weight, Fila skates provide a high degree of support. Excellent air ventilation is provided by Fila Air flow technology. The shaped inner shoe of in-line skates is a guarantee of comfort when skating. The skates for both ladies and gentlemen fasten with laces, a Velcro strap and a plastic strap that can be tightened as needed. Black roller skates are the right choice for inline skating enthusiasts.

When buying skates, we recommend buying [a spare brake](#) . The brake is worn out by braking and therefore needs to be replaced. Wear depends on skating style, braking and frequency of skate use. Brake types change and it is possible that new models differ in technical specifications from older models. New types of brakes may not fit older types of skates.
