Description

Roller skates of the brand Fila skates. Houdini 125 in-line skates are a guarantee of performance and stability. The anatomically shaped inner liner is light and at the same time very comfortable.

Fila skates are also very maneuverable thanks to 3 wheels with a size of 125 mm. The skeleton and frame provide maximum support. Zero shock technology ensures excellent shock absorption.

These roller skates are sold without brakes. It is not possible to purchase a new or spare brake, see technical specification FILA SKATES Spare parts - [spareparts.pdf](#)
