Description

Fila Skates skating helmet. A sturdy and safe Wow helmet in a modern design. The In-Mold technology, which the helmet is made of, offers exceptional strength and at the same time the helmet is extremely light. Breathability is ensured by several ventilation holes equipped with an insect net. The inner lining is comfortable and has a safety fastener, on which you can adjust the exact fit around the head.

The white helmet is suitable for cycling, skateboarding, roller skating and other sports where there is a risk of head injury.
