### Description

Trezeta men's shoes. Trekking shoes impress with their distinctive blue design. Outdoor shoes have great functionality. The upper part of the trekking shoes is made of durable material with reinforced toe and heel. The soft insole and internal padding ensure comfort when tackling hiking trails. The padded collar and tongue of the shoe also contribute to comfort. A higher cut ensures a higher level of stability.

Water resistance is provided by the Trezeta® Waterstopper membrane Lacing shoes for the mountains was designed with an emphasis on ergonomics. The Vibram sole, which is suitable for different types of terrain, is extra durable and also suitable for stony terrain. Outdoor footwear is the best choice for hiking, trekking, camping and outdoor activities.
