Description

Trezeta men's shoes. Outdoor shoes Flow Evo WP Mid are great companions not only for the forest, but also for walking through the streets of the center. Trekking boots in a medium high cut are a guarantee of protection and comfort when wearing. Men's shoes will appeal to men who prefer a timeless design with modern elements.

The upper of the hiking boots made of suede leather is resistant to abrasion. The advantage of the boots for the forest is the Trezeta Water Stopper waterproof membrane, which ensures waterproofness and excellent thermoregulation.
