### Description

Women's skates by Fila skates. Quad skates are designed in a design that is inspired by the 80s of the 20th century. Roller skates in a retro look attract attention with a colorful print. Colorful laces complete the playful look. Women's 4-wheel skates will please all women who want to be stylish while skating.

The chassis of roller skates for ladies is made of composite material. The advantage of the skates is the ergonomic structure with a reinforced synthetic outer side. The lining of the double-row roller skates is made of synthetic fabric with reinforced ankle padding and an anatomical tongue. Roller skates are a great idea for a gift. You will have a lot of fun with quad skates.

When buying skates, we recommend buying [a spare brake](#) . The brake is worn out by braking and therefore needs to be replaced. Wear depends on skating style, braking and frequency of skate use. Brake types change and it is possible that new models differ in technical specifications from older models. New types of brakes may not fit older types of skates.
