Description

Merrell men's shoes. Annex Trak shoes with Vibram® soles offer great traction on different surfaces and in different weather conditions. They provide comfort and great grip. Merrell M-Select™ FIT.ECO in combination with a molded EVA insole prevents unpleasant odors.

The upper is made of quality material in a combination of leather and Mesh material. The tip is reinforced with rubber material for greater durability.

Hiking boots are suitable for hiking, casual wear, walks in the city and in the forest.
