Description

Equa brand bottle. The healthy Sunrise bottle in orange design is made of high-quality Tritan material. This material does not contain BPA, is resistant to temperatures up to 100 degrees Celsius, and the bottle is therefore suitable for hot and cold drinks.

After use, it can be easily washed by hand, or it has a wide neck. The outer surface of the bottle consists of a soft silicone layer, and therefore such a bottle is not suitable for the dishwasher. It has a screw cap and a hand strap. You can use the bottle for coffee, tea, water or juice. It is suitable for observing the drinking regime at school, kindergarten, during training sessions or trips.
