### Description

Blizzard brand ski helmet. The Speed ski helmet attracts trends with its blue-white design. Inmold technology ensures strength and durability. The advantage of the helmet is its low weight. There are also ventilation holes and size adjustment.

A ski helmet is a great choice for winter sports and winter outdoor activities.

Take [the functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
