Description

Blizzard brand ski helmet. The Magnum ski helmet in black will convince you with its modern design and good technical performance. The helmet is decorated with gray and green bands with stars.

Inmold technology ensures strength with a low weight of the helmet. Ventilation holes and comfortable padding are a matter of course. The helmet is ideal for winter sports activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
