Description

Blizzard brand ski helmet. The Power ski helmet has a minimalist design. The black helmet has top technologies. ABS technology ensures durability, while Inmold technology ensures lightness and strength.

The ski helmet will delight with its adjustable two-zone ventilation. A distinctive visor will protect the face. Comfort will be ensured by internal padding and an adjustable tightening system with the possibility of height adjustment. The helmet is ideal for skiing, snowboarding and winter outdoor activities.

Take [the functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
