Description

Blizzard brand ski helmet in black with a geometric print on the side. Thanks to the Ultralight Double Inmold construction, the Double helmet is strong, durable and at the same time very light. Adjustable ventilation ensures breathability. The polyester lining is comfortable to wear and also antibacterial.

The Blizzard helmet for ladies and gentlemen is ideal for all winter sports, skiing, snowboarding and leisure.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
