Description

Blizzard brand ski helmet. The Demon ski helmet in black will convince even demanding skiers not only with its trendy design, but also with its functionality. Geometric graphics attract attention.

The helmet is strong and durable thanks to the Ultralight inmold technology. The advantage of polyester lining is its antibacterial properties. Adjustable ventilation is also an advantage of the ski helmet. The height of the helmet can be continuously adjusted. The ski helmet for ladies and gentlemen is ideal for winter sports.

Take it under your helmet [a functional Blizzard cap](#) that has several advantages. For hygienic reasons, the helmet lining does not need to be washed as often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
