### Description

Blizzard junior ski helmet. The Viper ski junior helmet in blue will appeal to skiers who like a sporty look. Adjustable ventilation is a guarantee of excellent breathability. Ultralight double inmold technology ensures the strength and durability of the helmet.

The polyester lining ensures great comfort. The size of the Blizzard helmet can be easily adjusted using the system on the back. The ski helmet is ideal for winter sports and outdoor activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
